

Father over All! Scripture Cryptograms

Kori, Anthony, and Dilly surely have been learning a lot of Scripture verses about God the Father as they seek answers for the problems Dilly has with his brothers. The two verses on this page have been jotted down in a coded form, not to hide the message, but to create a fun game to solve and further hide the Word in your heart.

Fill in the Scripture verses by using the keys provided below each Cryptogram to place the correct letters into the spaces above the code letters. Each answer is an important Bible verse that you have heard in CD4, *Sing God's Word - Father Over All!*.
